

## UKCGG-National Cancer Genetics MDT meeting: 19<sup>th</sup> March 2026

### Kidney Tumours - lead by Cambridge

Meeting contact: Dr James Whitworth (jww39@medschl.cam.ac.uk)

Thank you to everyone who attended this session. Below is a summary of the presented cases and relevant publications and resources to refer to.

#### Presented Cases

<b>Case 1</b>	<b>Contrast usage in HLRCC surveillance and RCC surveillance more broadly.</b>	Presented by: Sabrina Talukdar Guys sabrina.talukdar@nhs.net
	Actions/Outcome: Gadolinium contrast generally recommended at present. Potential future meeting to review and add further detail to MRI protocols used for RCC surveillance.	
<b>Case 2</b>	<b>FH VUS. Clinical indication of HLRCC.</b>	Presented by: Ciaran McCarthy Belfast Ciaran.McCarthy@belfasttrust.hscni.net
	Actions/Outcome: Consensus to offer surveillance based on clinical findings. Further immunostaining or tissue sequencing may be helpful.	
<b>Case 3</b>	<b>Non RCC case. PMS2 pathogenic variant. Unclear if in pseudogene or not.</b>	Presented by: Fiona Beecroft Birmingham Fiona.Beecroft@bwnft.nhs.uk
	Actions/Outcome: Forthcoming position statement on PMS2 testing and reporting of variants in regions impacted by pseudogene interference (exons 1-5, 9, 11-15) flagged. Coming soon.	

#### Relevant publications/resources

<b>Topic</b>	<b>Link</b>
Yorkshire Kidney Cancer Screening Trial	<a href="https://www.sciencedirect.com/science/article/pii/S0302283824025673">https://www.sciencedirect.com/science/article/pii/S0302283824025673</a>

## **Expert Speaker Talk**

Population screening for renal cell carcinoma

Talk Summary:

Chiara Re - Clinical Research Fellow (Urology), Cambridge University Hospitals.

Population screening for renal cell carcinoma:

- Attributes of RCC that may justify population screening.
- Yorkshire Kidney Cancer Screening Trial.

## **Next meeting details**

<b>Date</b>	Thursday May 21 <sup>st</sup> 2026
<b>Time</b>	12:30 pm-1:45 pm
<b>Theme</b>	Peutz-Jeghers Syndrome or Laugier-Hunziker Syndrome? Spotting the Difference.
<b>Leading centre</b>	North West Thames
<b>Contact for cases</b>	Bianca DeSouza
